Dear Joan:

I could not let you leave FBIS after 29 years without formally expressing our appreciation for the fine job you have done for so many years. Your supervisors have consistently noted and praised the great efficiency with which you have tackled your work.

One of the Daily Reporting Division chiefs referred in a PAR to your "intelligence, efficiency, and sustained excellence." I think that sums up very well your quite positive contribution to the FBIS mission.

We wish you well in your further career with the Agency.

Sincerely,

[REDACTED]
